The public may speak only during the meeting's Public Comment period and at any other time a majority of the Board allows. Speakers must be recognized by the presiding officer, step to the front of the room/microphone, give their name, residency, and organization, if any. Speakers must limit their remarks to three minutes (this time limit may be changed to accommodate the number of speakers) and may not yield any remaining time they may have to another speaker. Board members may, with the permission of the mayor, interrupt a speaker during their remarks, but only for the purpose of clarification or information. The Village Board is not required to accept or respond to questions from the public at meetings but may request that inquiries be submitted in writing to be responded to at a later date. VILLAGE OF WARWICK

LOCAL LAW NO. 1 OF THE YEAR 2024

A local law to amend the Village Code by enacting a new Chapter 60 entitled "Community Choice Aggregation Program".

Section 1. Purpose:

The purpose of this Local Law is to promote the public health, safety and welfare by establishing a Community Choice Aggregate Program allowing Village residents to incur lower utility costs.

Section 2. Amendment of Code:

The Village Code of the Village of Warwick is hereby amended to enact a new Chapter 60 entitled "Community Choice Aggregation Program" which shall read as follows:

§ 60-1 Purpose and Authority.

Under Section 10(1)(ii)(a)(12) of the New York Municipal Home Rule Law and determinations of the New York State Public Service Commission municipalities, including the Village of Warwick, are empowered to establish Community Choice Aggregation Programs ("CCA"). The purpose of a CCA is to benefit residents of the municipality by reducing energy costs, providing energy cost certainty, and promoting deeper penetration of energy efficiency and renewable energy resources. This Chapter establishes a CCA program that will allow the Village, in partnership with other municipalities, to put out for bid the total amount of natural gas and/or electricity being purchased by Eligible Consumers within the Village. Eligible consumers will have the opportunity to lower their overall energy costs, to spur clean energy innovation and investment, to improve customer choice and value, and to help protect the environment.

§ 60-2 Definitions.

For purposes of this Chapter, and unless otherwise expressly stated or unless the context otherwise requires, the terms in this Chapter shall have the meanings employed in the State of New York Public Service Commission's Uniform Business Practices or, if not so defined there, as indicated below:

AGGREGATED DATA

Aggregated Data shall mean aggregated and anonymized information including the number of consumers by service class, the aggregated peak demand (kW) (for electricity) by month for the past 12 months, by service class to the extent possible, and the aggregated energy

(kWh) for electricity or volumetric consumption for gas by month for the past 12 months by service class.

CCA ADMINISTRATOR

CCA Administrator shall mean the Village of Warwick or its duly authorized CCA Administrator authorized to request aggregated and customer-specific data to competitively solicit suppliers for the aggregated demand for electricity and/or natural gas on behalf of default consumers, and to offer participating consumers additional opportunities to participate or enroll in programs or projects related to distributed energy resources. The CCA Administrator is responsible for program organization, administration, procurement, communications, and for meeting all requirements for program implementation specified in the Public Service Commission Community Choice Aggregation Order (PSC CCA Order), unless otherwise specified.

COMMUNITY CHOICE AGGREGATION (CCA)

Community Choice Aggregation (CCA) shall mean a Village-sponsored program, either alone or in concert with other municipalities, under which the aggregate buying power of individual energy customers within a defined jurisdiction is used in order to secure alternative energy supply contracts on a community-wide basis, while allowing consumers not wishing to participate in the program to opt out.

CUSTOMER-SPECIFIC DATA

Customer-Specific Data shall mean customer specific information, personal data and utility data for all consumers in the Village eligible for opt-out treatment based on the terms of PSC CCA Order and the CCA program design including the customer of record's name, mailing address, telephone number, account number, and primary language, if available, and any customer-specific alternate billing name, address, and phone number.

DATA SECURITY AGREEMENT shall mean an agreement between the Distribution Utility and the Village that obligates each party to meet, collectively, (i) all national, state and local laws, regulations or other government standards relating to the protection of information that identifies or can be used to identify an individual Eligible Consumer with respect to the CCA Administrator or its representative's processing of confidential utility information; (ii) the Distribution Utility's internal requirements and procedures relating to the protection of information that identifies or can be used to identify individual Eligible Consumer with respect to the CCA Administrator or its representative's processing of confidential utility information; and (iii) the PSC CCA Order and PSC rules, regulations and guidelines relating to confidential data.

DEFAULT CONSUMERS

Default Consumers shall mean customers of electricity and/or natural gas within opt-out-eligible service classes (as delineated in the PSC CCA Order) who receive supply service from the distribution utility as of the date the supply contract goes into effect.

DEFAULT SERVICE

Default Service shall mean supply service provided by the Distribution Utility to consumers who are not currently receiving service from an energy service company (ESCO). Eligible Consumers within the Village that receive Default Service, and have not opted out, will be enrolled in the Program as of the Effective Date.

DISTRIBUTED ENERGY RESOURCES (DER)

Distributed Energy Resources (DER) shall mean local renewable energy projects, community-distributed generation (e.g., shared solar), peak demand management, energy efficiency, demand response, energy storage, community resilience microgrid projects, and other innovative Reforming the Energy Vision (REV) initiatives that further engage and/or reduce cost of service for participating consumers, optimize system benefits, and/or address infrastructure and demand challenges within the geography of the CCA Program.

DISTRIBUTION UTILITY

Distribution Utility shall mean the owner or controller of the means of distribution of the natural gas or electricity in the Village. The distribution utility also serves as the default supplier of electricity and natural gas preceding the establishment of a CCA Program.

ELIGIBLE CONSUMERS

Eligible Consumers shall mean eligible customers of electricity and/or natural gas who receive Default Service from the Distribution Utility as of the Effective Date, or New Consumers that subsequently become eligible to participate in the Program, at one or more locations within the geographic boundaries of the Village, except those consumers who receive Default Service and have requested not to have their account information shared by the Distribution Utility. For the avoidance of doubt, all Eligible Consumers must reside or be otherwise located at one or more locations within the geographic boundaries of the Village, as such boundaries exist on the effective date of the ESA.

ENERGY SERVICES COMPANY (ESCO)

Energy Services Company (ESCO) shall mean an entity duly authorized to conduct business in the State of New York as an ESCO.

NEW CONSUMERS

New Consumers shall mean consumers of electricity that become Eligible Consumers after the effective date of the ESA, including those that opt in or move into the Village.

PARTICIPATING CONSUMERS

Participating Consumers shall mean default consumers who have not opted out, and non-default consumers of any service class that have voluntarily enrolled in the program.

PSC CCA ORDER

PSC CCA Order shall mean the PSC's Order Authorizing Framework for Community Choice Aggregation Opt-Out Program, issued on April 21, 2016, in Case 14-M-0224, "Proceeding on Motion of the Commission to Enable Community Choice Aggregation Programs."

PROGRAM ORGANIZER

Program Organizer shall mean the group responsible for initiating and organizing the CCA. This group will typically secure buy-in from local governments and engage in preliminary outreach and education around CCA. The Program Organizer may be a non-profit organization, local government, or other third party. The Program Organizer and the CCA Administrator may be the same.

PUBLIC SERVICE COMMISSION (PSC)

Public Service Commission (PSC) shall mean the New York State Public Service Commission.

SUPPLIERS

Suppliers shall mean ESCOs that procure electric power and natural gas for participating consumers in connection with this article or, alternatively, generators of electricity and natural gas or other entities who procure and resell electricity or natural gas.

§ 60-3 Program authorized.

- A. A CCA Program is hereby authorized by the Village, whereby the Village may implement a CCA Program to the full extent permitted by the PSC CCA Order, as set forth more fully herein.
- B. The Village may enter into contracts with one or more suppliers for electric and/or natural gas supply and other services on behalf of default consumers.

- C. The Village may enter into agreements and contracts with other municipalities, nonprofits, consultants, and/or other third parties to
 - (i) develop and implement the CCA Program;
 - (ii) act as CCA Administrator, and/or
 - (iii) develop offers of opt-in distributed energy resources (DER) products and services to Participating Consumers, including opportunities to participate in local renewable energy projects, shared solar, energy efficiency, microgrids, storage, demand response, energy management, and other innovative Reforming the Energy Vision (REV) initiatives and objectives designed to optimize system benefits, target and address load pockets/profile within the CCA zone, and reduce costs for CCA customers.
- D. The operation and ownership of the utility service shall remain with the distribution utility. The Village's participation in a CCA Program constitutes neither the purchase of a public utility system, nor the furnishing of utility service. The Village shall not take over any part of the electric or gas transmission or distribution system and will not furnish any type of utility service, but will instead negotiate with suppliers on behalf of participating consumers.

§ 60-4 Eligibility.

- A. All consumers within the Village, including residential and non-residential, regardless of size, shall be eligible to participate in the CCA Program.

**RE: POLE BARN FOR DPW
24 MEMORIAL PARK DRIVE
W.O. #1804.12**

Dear Mayor Newhard and Trustees:

On December 26, 2023 the Village of Warwick issued an advertisement for bids for the Pole Barn for DPW project. Six contractors requested copies of the bid documents.

Bids were opened at Village Hall on January 26, 2024. Three contractors submitted bids, as summarized below:

TAM Enterprises, Inc.:	\$242,850.00
Woglom Construction, LLC	\$327,650.00
Morgan Site Contractors:	\$471,254.62

The lowest bidder for the project is TAM Enterprises, Inc. of Goshen, NY, with a bid amount of \$242,850.00.

We have reviewed the bid documents submitted by TAM Enterprises, Inc. and found them to be complete. TAM has indicated that the pole barn materials will be supplied by NC Carports and Garages LLC of Elkin, North Carolina. Our research indicates that the firm is a reputable and experienced supplier of metal buildings.

TAM Enterprises, Inc. has completed a number of projects for the Village in recent years, with excellent results. We therefore recommend that they be hired to complete the Pole Barn for DPW project.

Sincerely,
Engineering & Surveying Properties, PC, Village Engineers

BETWEEN THE VILLAGE OF WARWICK AND
218 HOMESTEAD VILLAGE DRIVE, WARWICK, NY**

Account #115600-0
BILLING CYCLE 1

This Agreement made the ____ day of February 2024 by and between the Village of Warwick, with an address at 77 Main Street, Warwick, New York (the "Village") and _____, with an address at 218 Homestead Village Drive, Warwick, New York (the "Owner").

WHEREAS the Owner of real property located at 218 Homestead Village Drive, Warwick, New York 10990, being also designated as Section 223, Block 1, Lot 1.-9 on the tax map of the Village of Warwick, County of Orange, State of New York (hereinafter the "Property") which receives municipal central water and sewer service from the Village of Warwick; and

WHEREAS, as of the date hereof, the Owner owes \$719.57 in municipal central water and sewer service charges; and

WHEREAS, the Owner has claimed a related hardship in regard to the said charges and wishes to enter into an agreement for repayment of water and sewer charges.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. The Owner acknowledges that the entire amount of \$719.57 is currently due and payable; and

2. The Owner agrees to pay the said amount in **eight (8) quarterly installments of \$89.95** and the Village agrees to accept such payments in full satisfaction of the outstanding bill. The Owner acknowledges that the agreement for installment payments is a grace period only for outstanding payments, and that the Owner must keep current on all future water and sewer bills while making installment payments.

3. It is agreed between the Village and the Owner that the Owner may pay the entire amount due hereunder at any time, and thereby discharge its liability for such payments. Provided, however, that no partial payments shall be accepted by the Village; and payments must be made by the Owner either in the quarterly payments prescribed hereunder or in tender of the entire amount due hereunder.

4. In order to accept the said repayment installments, the Village shall establish an installment plan on the existing account with a quarterly sewer installment of \$40.47 and water installment of \$49.48 for the payment of the \$719.57 bill. Ongoing water and sewer charges will continue to be billed from the Owner's existing account as well.

5. The Owner shall pay the sum of **\$89.95** (constituting the sewer installment of \$40.47 and the water installment of \$49.48) to the Village each quarter in addition to such bill for current water and sewer usage as may be due. **The first payment shall be deemed due no later than March 1, 2024** and must be submitted by the Owner upon the execution of this Agreement. Subsequent payments shall be billed on the 1st day of the month in the months of May, August, and November. Bills will be due by the 1st day of the month in the months of March, June, September, December.

6. The repayment installments shall be subject to all fees and procedures as all water accounts in the Village of Warwick except that any fees or penalties shall only be assessed based on failure to timely make the individual quarterly payment then due or outstanding, not based on the entire balance of the repayment. The fees and procedures shall include, but not be limited to, the following:

- a. A 5% late fee shall be assessed against all payments thirty (30) days past due.
- b. An additional 3% late fee shall be assessed against all payments sixty (60) days past due.
- c. 15 days after the 60-day late fee notice, a shut off notice will be placed on the door of **218 Homestead Village Drive**.
- d. In the event water service is shut off, a \$100.00 shut off/reconnect fee will be assessed against the account.
- e. 10 days after the shut off notice is sent; water service will be shut off until the balance is paid by cash or bank check including all late fees and other charges associated with the late payment.
- f. The remaining balance will be relevied onto the yearly Village Taxes if not paid.

7. In the event that the Property is sold or title is otherwise transferred or conveyed, the outstanding balance on the account including repayment installments must be paid in full at the time of closing or such transfer or conveyance.

8. **VILLAGE POLICY IF THIS AGREEMENT IS NOT SIGNED AND RETURNED WITHIN THIRTY (30) DAYS.** In the event that the Owner fails to return a properly executed copy of this Agreement to the Village Clerk within thirty (30) days after such Agreement was mailed or otherwise provided to the Owner, the Owner shall be deemed to have irrevocably rejected the Agreement.

WICKHAM WORKS

EXCHANGE. SHARE. MAKE.

Wickham Works
3 Forester Ave., Unit 8
Warwick, NY 10990

To: The Warwick Village Board of Trustees

January 22nd, 2024

Wickham Works seeks permission to host Treecycle 2024 a **free one-day public art event celebrating creative reuse of materials and drawing attention to the human impact on our landscape at Stanley Deming Park, Warwick, on Sat. April 20th, 1 to 6pm, rain date Sun. 21st. Set-up time: 10am, breakdown until 7.30pm.**

This delightful spring arts festival produced by Wickham Works features art installations from local artists and community groups, making stations for all the family, information tables from community members on local climate smart initiatives, a small number of vendors of sustainable products, music and entertainment. This year's theme is Earth to Warwick! and focuses on climate-smart actions we can all practice.

Events would be located under the pavilion, band shell and on the lawn areas adjacent to them, with access to the bathrooms. We would like to offer no more than two food trucks, to be placed in the basketball court area, and will ensure that all vendors have the appropriate health certificates and carry insurance indemnifying the Village of Warwick.

Wickham Works will apply to Park Avenue school for permission to use their parking lot.

We would like to request the following from the Village:

- use of Bandshell, Pavilion, Bathrooms, and adjacent lawn areas extending to the restrooms, and use of handball court area facing the river, and use of basketball court.
- 6 parking cones for loading and unloading areas near entrance
- 4 recycling bins and 6 garbage cans for bandshell, pavilion, lawn area, and food truck area (basketball court).
- use of 10 tables and 50 chairs from the Village DPW for the day
- use and set up of 4, 8' x 4' platforms from the DPW
- access to water fountains, bathrooms, and power from Saturday morning through Sunday evening.

Wickham Works will be responsible for communicating with the DPW about needs.

Yours sincerely,

Melissa Shaw-Smith

The Honorable Michael Newhard
Mayor of the Village of Warwick
Village Board of Trustees
77 Main Street
Warwick, New York 10990

Dear Mayor Newhard and Board of Trustees:

The Warwick Valley Chamber of Commerce would like to formally request permission to hold Operation Clean-Sweep on Saturday April 27th from 9am to 12pm, rain or shine.

This popular event, celebrating Earth Day, brings the entire Town of Warwick together to clean up our streets and parks, and recycle hazardous items. During the week of April 20th-28th, we are asking Town residents to clean up main roads, neighborhood parks and streets using plastic bags and gloves and safety vests donated by ShopRite of Warwick, St. Anthony Community Hospital, and the Law Office of Elizabeth Cassidy. On the morning of Saturday, April 27th, the Warwick Lions Club has scheduled a shredding truck to be located at the rear of the Chase Bank Parking Lot. In addition, there will be tables for collection of eyeglasses, hearing aids, sneakers and rubber sports cleats. We are also coordinating an appliance drop-off with Sustainable Warwick Valley that will be located in the rear of the lot. They will be handling the collection and transport of all items collected.

Additionally, the Warwick Valley Prevention Coalition and Warwick Police Department will collect unused prescriptions and the National Coalition Against Domestic Violence will collect used cell phones. Off-site programs include Motor Oil Collection at Leo Kaytes Ford and Computer Recycling at The Computer Guy.

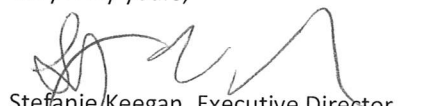

We are requesting the following:

- Use of the Chase Bank Lot for the shredding truck and other collection stations. The truck will be at the rear of the lot leaving parking available visitors and those with permits. We have included the Certificate of Insurance.

We thank you in advance for all your cooperation over the years with the many activities that the Chamber has hosted in the village and we look forward to making Operation Clean Sweep another exceptional event.

Thank you for your attention to this matter.

Very truly yours,

Stefanie Keegan, Executive Director

To the Hon. Mayor Michael Newhard and the Village Board of Trustees,

Together with my colleagues Judy Pedersen and Emily Wilson, I am writing to request permission to change the date of the 2024 Warwick Children's Book Festival to Sunday, October 13, 11am-4pm. This change is requested out of respect for Yom Kippur, which begins on the evening of Friday, October 11 and runs through Saturday, October 12. The date of Yom Kippur rarely falls so far into the month of October, and regrettably, we initially overlooked its 2024 date.

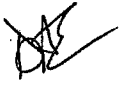

Almost all aspects of our 2024 Festival application, including parking, food trucks, use of the Stanley-Diming Park restrooms, use of the Bandstand for a children's concert - remain exactly as originally requested. Here are the only differences, all necessitated by the proposed date change:

- a. Kelly's Party Rental, the company that supplies our tents, has requested permission to still set up the tents on Friday, October 11th, as originally planned, instead of changing set-up to Saturday. Evidently it is much harder for Kelly's to staff a tent set-up team on weekends in the fall, whereas they should be able to have a full crew on Friday, 10/11. Tent set-up is an hours-long, labor-intensive job.
- b. We would like permission to shift tent removal to Monday, October 14th by 1:00pm.
- c. We would like to shift the dates of our banner request later by one day, to hang it on Monday, September 30 and remove it immediately after the festival on Sunday, October 13, thereby adhering to the 2-week maximum.

Accompanying this letter is a revised Certificate of Insurance, reflecting the date change and other changes listed above. Thank you very much for your consideration.

Sincerely,

Lisa Laico
Library Director

RE: Application for Refund, 210-12-8, 49 West Street

Kindly approve the attached application for refund.

Mr. O'Neill's Veteran's exemption application, originally filed in 1985, was erroneously approved for only a War veteran's exemption. His supplied DD-214 indicated the acronym for an Armed Forces Expeditionary Medal, which should have properly qualified him for a Combat veteran's exemption. RPTL §556 permits a correction and refund for 3 years.

The total assessment for the property is 27,200. Please see the attached for exemption amounts and corrected taxables for each of the three years for which a refund is requested.

I have reviewed and corrected the calculations and request the Board approve the attached applications for refund. A total refund of \$166.53 should follow.

I have attached a copy of the refund applications, tax bills, exemption application and corrected calculations for your information.

Re: Proposal for employment age change

Date: January 5, 2024

I would like to propose a change in the age to be eligible for employment for the Village of Warwick Summer Recreation Programs. Currently, the minimum age is 16. I would like to propose a change to make 15 year olds eligible. Over the past few years our recreation department is having an increasingly difficult time hiring staff for our summer recreation programs. Changing the age to 15 would allow better opportunities to hire more staff. The starting rate of pay is below minimum wage. As such it would be more beneficial in hiring 15 year olds for their first job. Kids can get working papers at 14 years of age so hiring at 15 would help solve our hiring dilemma. We are quickly approaching the threshold where some popular programs may be impacted due to lack of returning employees.

This summer we plan on implementing a change to the registration procedures for the park program by signing up weekly that will increase efficiency and hopeful participation. This addendum would be to insure we have enough staff hired for the park program per the Department of Health counselor/camper ratio for years to come. We advertise employment for our recreation programs on our website mid January so now would be an optimal time for the change to ensure the highest level of service be provided to our patrons. Thank you for your consideration.
