

**ON-CALL PLUMBING/HVAC SERVICES
VILLAGE OF WARWICK, NEW YORK
SOLICITATION FOR BIDS
ADDENDUM #1**

March 22, 2024

The following question was received regarding the On-Call Plumbing/HVAC request for qualifications:

1. 'Before submitting our proposal, we kindly request a clear and concise scope of work for the project.

To ensure accurate assessment and proposal preparation, please provide us with a detailed outline of the HVAC project's scope, including specific requirements and deliverables.'

Village of Warwick's Response:

This is an On-Call solicitation. The scope of work will vary by assignment at Village facilities. The scope and estimated cost will be determined at the time of assignment and based on the rates provided by the selected contractor(s).
