149 SOUTH ST. EXT	AREA VARIANCE	MR. PROULX
-------------------	---------------	------------

Mr. Proulx – We are proposing a 20' x 25' detached garage and in order to build it we would need to have a side setback of 5.9' instead of 10' and a setback from the house of 5.2' instead of 15'.

Mr. Burley – Why don't you attach the garage to the house?

Mr. Proulx – The house has solar panels and we would have to move them and that is very expensive.

Mr. Burley – Has there been any issues with the neighbors?

Mr. Proulx – No.

Secretary – I have had no inquiries regarding this application.

Mr. Burley – What about the shed?

Mr. Proulx – I will be moving or removing the shed to place the garage

A MOTION was made by John Prego, seconded by Wayne Greenblatt and carried to declare this a Type 2 action under SEQR and grant the application as advertised. (5 Ayes)

A MOTION was made by John Prego, seconded by Jonathan Burley and carried to adjourn the meeting.

Respectfully submitted,

Maureen J. Evans,  
ZBA secretary
